Dear past and/or potential sponsor,

Thank you for your generosity and past support of our ministry and service to orphans and widows in Kenya. We could not accomplish what the Lord has asked of us without your prayers, your in kind donations, your volunteer hours, your encouragement, and your financial support.

Our annual 5K run/walk fundraiser supports mission trips for local servants and our year long care for orphans, widows, and friends with developmental disabilities in Kinangop, Kawangware, and Nairobi. We are committed to improving their quality of life by providing education, vocational skills training, employment opportunities, and medical care. We seek to help without hurting by encouraging individuals with dignity and respect as they care and provide for their own needs. We believe in giving a hand up instead of a handout.

**h.o.w? Ministry** is founded on three core values:  
empowering women ~ saving children ~ fighting poverty.
